### **Mixed-use site eyed in Coweta**

Diplomat Cos. of Atlanta and Kennedy Capital Group LLC of Lawrenceville are partnering on a \$150 million mixed-use development in Coweta County.

The two companies plan to build Newnan Village Crossing, which is slated to be three hotels, restaurants, medical offices and assisted-living residences.

The project site is on the east side of I-85 between Ga. 34 and Lower Fayetteville Road. Construction is expected to begin before year's end.
